Later References.

S. 97.—(Blue).

MFP—1683&P—(M-184)—11-8-34—50,000.

S.N. 1. Letter No. 822/37, dated the 13th July, 1932, from the Residency Surgeon, Bangalore.

S.N.9 42-1930. In November 1922, the Government of India approved of the Resident's proposal to purchase locally two Motor Ambulance but suggested that one ambulance only should be purchased in the first instance and thoroughly tested before the order for the second was placed. Accordingly a motor ambulance (Ford Car) was purchased in January 1923 for Rs. 4,692-10-0.

In March, 1930 the Residency Surgeon recommended the local purchase of a second new Motor Ambulance Car (Chevrolet) locally, at a cost of Rs. 4570/-. This was sanctioned by the Resident. The Government of India who were addressed in the matter approved of the Resident's action. In that letter to the Government of India it was proposed to re-condition the old ambulance, if it was found feasible to do so at reasonable cost, for use for taking infectious cases to the Isolation Hospital. The old ambulance car was repaired at a cost of Rs. 249/- in July, 1930.

S.N. 8.

S.N.9 42-1930

S.N.16 42-1930.

The Residency Surgeon now states that the old Ambulance Car often goes out of order. He therefore proposes to purchase a new car at a cost of Rs. 3,000/-. The sanction of the Government of India is necessary to the local purchase of a new car. If approved the Residency Surgeon may be asked to forward detailed estimate and specification for submission to the Government of India. As no funds are available in the current year's Assigned Tract budget, the Residency Surgeon may be asked to state ----- whether the purchase of a new ambulance cannot be postponed till the beginning of the next financial year.

Draft letter to the Residency Surgeon is submitted for approval.

D.C.No. 958/97.

Residency Surgeon's Office
Bowring Civil Hospital
Bangalore 8th. August 1932

Dear Kirkbride,

S.N.I

Would you kindly refer to my letter No.822/97 dated the 19th. July 1932.

The old Ambulance Car used for the Isolation Hospital has definitely broken up, and as we are getting Plague Cases to transfer to the Hospital, we are in great difficulty. It is impossible to carry on unless some repair is immediately done and the least efficient repair is estimated as costing Rs 100/-. No really radical repair is possible.

If you could kindly get immediate sanction of the Hon'ble the Resident to our purchase of a new Car, we can avoid, I hope, the necessity of wasting money on a useless job. The Ambulance Car is 10 years old and served our purpose in the Bowring & Lady Curzon Hospitals before it was passed on to the Isolation Hospital. If telegraphic sanction could kindly be applied for, the emergency would then be met.

OFFICE OF THE RESIDENT IN MYSORE
BANGALORE.
8 AUG. 1932
Regd. No. 7096
File No. 268/32

Yours Sincerely
J. McKechnie.

To

Captain G.Kirkbride,
Secretary to the Resident
in Mysore, Bangalore.

S.N. 3. D.O. letter No. 958/97, dated the 8th August, 1932, from the Residency Surgeon, Bangalore.

Please see S.N. 1 and 2 and the office notes in paras 1 to 4.

S.N.3 The Residency Surgeon, Bangalore, states that the old Ambulance Car used for the Isolation Hospital has definitely broken up. He therefore requests that a telegraphic sanction may be obtained for the purchase of a new Car for the Isolation Hospital. Under the existing orders ¼th of the cost viz. Rs. 750/- (¼th of Rs. 3,000/-) should be met by the Municipal Commission, Civil and Military Station, Bangalore, and 3/4ths Viz. Rs. 2,250/- by Government. The President, Municipal ---- Commission should therefore be consulted in the matter.

S.N 11/A-59-1931. Under instructions contained in memorandum No. F. 92-A-32, dated the 10th May, 1932, the car has to be purchased ----- through the Agency of the Chief Controller, Indian Stores ---- Department. As the Ambulance Car is urgently required, the Government of India may, if approved, be asked to sanction the purchase through the Indian Stores Department, at a cost not exceeding Rs. 3,000/-.

The expenditure may be met from the existing allotment under"Account III-Medical and Public Health-A.6-Other expenses" in the current year's Assigned Tract budget. If the allotment under this head is not sufficient and the additional allotment required cannot be met by reappropriation, application for additional grant may be made early in December, 1932.

Draft express letter to the Government of India is ------ submitted for approval. Before the issue of the draft, the file may be sent U.O. to the President, Municipal Commission, with the request that he will be so good as to state whether he sees any objection to meet ¼th of the cost from the ---- Municipal Revenues. The Residency Surgeon may also be asked

U.O.

U.O. whether he sees any objection to the expenditure being met as suggested in para 8 above.

for President, M. C.
11/8/32

W.O.No.Gt.53/32
11th August 1932.

To The Residency Surgeon, Bangalore. U. O.

SECRETARY

I have already asked in my letter No.842/30, dated 21-7-1932 for an increase of Rs 9142 to item "Other Contingencies-D.6.Other expenses". I do not desire to meet the cost of the new Ambulance Car out of the allotment under A.6, as the expenditure under this head is to be settled then and there. But I propose to meet the sum of Rs 3000/- from the allotment under A.4 as the cost of medicines purchased from the Medical Store Depot, Madras, is usually settled by Book adjustment at the end of the official year. In this case we could wait till the amount taken for the Ambulance car can be recouped by additional grant from the Government of India.

OFFICE OF THE RESIDENT IN MYSORE.
BANGALORE.
18 AUG. 1932
Regd. No. 7351
File. No.

No.1019/97
Bangalore
16-8-1932

Bt-Col., I.M.S.

The President, Municipal Commission states that the Commission is not liable to meet ¼th of the charges of the new Ambulance car viz. Rs. 750/- since the expenditure is not recurring one. Please see P.U.C. in which the Residency Surgeon states as follows:-

" The old Ambulance Car used for the Isolation Hospital has definitely broken up and as we are getting plague cases to transfer to the Hospital, we are in great difficulty".

From the above it is clear that the Car is intended for transferring plague and other infectious cases. It appears therefore reasonable that ¼th of the cost should be debited to plague charges which are now met from the half lakh ------ sanitary grant. This can be ordered by the Hon'ble the --- Resident.

The Hon'ble the Resident has power to sanction reappropriation from one head to another in the medical budget. Therefore ¾ths of the cost of Ambulance car Viz. Rs. 2250/- may be met by reappropriation later on from savings ------- available under the pay of Matron (Rs. 2,400/) in the new Isolation Hospital. The post has not yet been filled up.

Two drafts submitted for approval.

---

1. Please see the abstract of tender forwarded by the Chief Controller of Stores, Indian Stores Department. The Tenders offered by several firms are given below:-

1. Messrs Ismail Brothers (Mysore) Ltd., Bangalore	Rs.	3,000/-
2. Messrs Ford Motor Co. of India Ltd., Bombay ...	Rs.	4,164/-
	"	4,064/-
	"	3,539/-
3. General Motors India Ltd., Bombay ...	"	4,314/-
	"	4,394/-
	"	4,474/-
	"	4,554/-
4. Messrs Morris Industries(India) Ltd.,	"	5,079/-

2. If approved the papers below may be sent U.O. to the Residency Surgeon, Bangalore, with the request that he will kindly select the Motor Ambulance required by him from the description given in the abstract statement. The Chief ------ Controller states that all the prices are subject to a -------- discount of 20 per cent to the Indian Stores Department.

The Residency Surgeon may also be asked to ascertain from Messrs Ismail Brothers what model or size of Ford Chassis they have offered.

Submitted.

Secretary.

To

The Residency Surgeon, Bangalore, U.O.

U.O. No 174
9th Jan-32

P.T.O

The Secretary

On perusal of abstract of statements regarding Ambulance , I have taken expert opinion and I think that the ambulances offered by Morris Motors is very suitable.

The cost is Rs 5,079/9/0 less 20 per cent i.e. Rs 4,063/11/0 . I see no indication of whether the cost of carriage from Bombay to Bangalore is included or is extra .

In this connection I may state that there remains the disposal of our old ambulance . Some time ago I asked for an estimate from the local representative of Morris Motors, Viz . Messrs Addison and Co, and owing to an oversight, their plans and specification were not forwarded so as to reach the Indian Stores . The representative of Addison and Co (representative of Morris) informs me that their firm has supplied practically all the Motor ambulances for Madras City Hospitals.

(a) he undertakes to allow us Rs 400/- for the old ambulance.

(b) to provide guarantee and free service.

(c) and to deliver free at Bangalore a vehicle as specified in his letter (accompaniment) of 17-1-33 for the nett total of Rs 4350/- (i.e. Rs 4750/- less Rs 400/- allowed for old vehicle)

OFFICE OF THE RESIDENT IN MYSORE BANGALORE. 18 JAN 1933 Regd. No. 504 File. No

The advantages detailed under (a), (b) and (c) might kindly be made known to the Indian Store Department and their dicision arrived as to which vehicle we may order.

17/1/33.

Telegram No. N/707, dated the 3rd February , 1933, from the Chief Controller of Stores, Indian Stores Department, New Delhi.

S.N.20.

P-W.R.

Please see S.N.18. and the notes in paras 5 and 6.

The Chief Controller of Stores states that the price offered by Messrs. Morris Industries (India), Ltd., Bombay is Rs.4,917/- i.e. Rs.167/- more than the offer made by Messrs. Addison & Co., Ltd., Bangalore. It is not clear how they have arrived at this figure. Though the price is slightly higher than the offer made by Messrs. Addison & Co., Ltd., Bangalore, it may be accepted. The responsibility for examining the ambulance car will rest with the Indian Stores Department. The Residency Surgeon, Bangalore may, if approved, be asked to state whether funds are available in the current year's Medical budget estimates. On receipt of his reply the Government of India will be addressed in the matter.

Draft submitted for approval.

T. N. Thangavelu Mudaliar
3-2-1933

Secretary

I presume Addison are offering identical vehicle. If so must. We buy through Indian Stores.

It is not possible for office to say whether Messrs Addison and Co. are offering identical vehicles. As we told the Government of India that we would purchase the Motor Ambulance through Indian Stores Department, it

appears

appears necessary that we should purchase through them. If it is proposed to purchase the Motor Ambulance through Messrs --- Addison and Co., we should obtain the orders of the Government of India.

In this connection please see also letter No. N/727, dated the 31st January, 1933, from the Chief Controller of Stores, Indian Stores Department, in which he explains that the price offered by Messrs Morris Industries India, Ltd., Bombay was net price.

If approved the file may be sent U.O. to the Residency Surgeon, Bangalore, with the request that he will kindly state (1) whether Messrs Addison and Co., are offering ------ identical vehicle and (2) whether he will meet Rs. 4917/- required for the purchase of Morris Motor Ambulance from the current year's Medical budget estimates.

Submitted for orders.

OFFICE OF THE RESIDENT IN MYSORE. BANGALORE. 14 FEB. 1933 Regd. No. 1520 File. No.

The Secretary M2474/97 & 13.2.33

The President has agreed to pay from the half lakh grant of 4 th of the actual cost of the ambulance The amount originally settled was Rs 3000/- As the cost is just increased to Rs 4917/- , the ¼th comes to Rs 1229/- which should be debited to half lakh grant. The balance Rs 3688/- could be met from A6 Other charges- 32 Medical Hospitals and Dispensaries of 1932-33. In the Vehicle offered by Addison, the chassis is to be built to their design in Madras. The vehicle is therefore presumably not the same as that offered by messrs Morris, Bombay.

S.N.45 Issued No,5287 dated the 21st July,1933.

Letter No 1134 dated 18th July 1932 from the Manager Messrs Ismail Brothers (Mysore) Ltd , Bangalore.

In confirmation of our verbal quotation submitted this morning we have the pleasure in stating that we can supply the Ambulance you require at the following rates:-

1. One Ford 131" Chassis complete with Ambulance body ..... Rs 3600/- or

2. OneFord Commercial Chassis complete with Ambulance body ..... Rs 3000/-

These quotations are for Bangalore delivery and against either we are willing to allow you Rs 400/- against the existing T model ambulance in part payment.

The body we offer will be similar to that at present in use but will be of superior finish and the cab will be the semi enclosed type. The interdor will be equipped with one stretcher accommodation and one full length bench and in size will approximate that at present in use.

We can give delivery of either pattern unit within three weeks from date of receipt of your order.

We would mention that the body which it would be possible to build on the larger chassis would be more roomy than that on the small but we are of opinion that the small job will adequately meet your requirements in as much as we understand that the unit will seldom be used for more than one case at a time.

Assuring you of our best services at all times.

Resident Mysore,

Bangalore.

To

Polindia

Simla.

No. 5672 Conf. Dated 25th August 1930.

Subject.

Purchase of a new Ambulance Car for the use of Isolation Hospital, Bangalore.

S.N.10 42-1930

Reference correspondence ending with Mr Narahari Rao's memorandum No. F. 105-A/30, dated 11th April, 1930

S.N.9 42-1930

2. In para 4 of the late Sir Steuart Pears' letter No. 2042/42-1930, dated the 7th March, 1930, it was proposed to re-condition the old ambulance, if it was found feasible to do so at a reasonable cost, for use for taking infectious cases to the Isolation Hospital.

S.N.16 42-1930.

Accordingly the old ambulance car was repaired at a cost of Rs. 249/- in July, 1930. The Residency Surgeon, Bangalore, now reports that the old Ambulance Car used for the Isolation Hospital has definitely broken up and

S.6. S.N.3

he

S.N. 1/A.

he finds it difficult to transfer plague cases to Isolation Hospital. As the car is 9 years' old, no really radical repair is possible. He therefore ----- proposes to purchase locally a new Model Ford Ambulance Car for Rs. 3,000/- and to sell the old car for Rs. 400/-. A copy of a letter No. 1134, dated the 18th July, 1932, from the Manager, Messrs Ismail Brothers (Mysore) Ltd., Bangalore, who are the Agents for the new Ford, is enclosed.

3. In the circumstances I request that sanction of the Government of India may kindly be accorded to the purchase of a new Model Ford Ambulance Car ------ through the Agency of the Chief -------- Controller, Indian Stores Department, at a cost not exceeding Rs. 3000/- (Rupees three thousand only). In order to ----- avoid delay I request that the Chief Controller, Indian Stores Department, may kindly be asked to arrange for the ---- supply of the Car in question to the Residency Surgeon, Bangalore, at a very early date.

4. One-fourth of the cost will be debited to "Plague charges" which are now met from the recurring sanitary grant of Rs. 50,000/- paid to the ----- Municipal Commission, Civil and Military Station, Bangalore, and 3/4ths met from the allotment in the current year's

Assigned

Assigned Tract budget under the head "Account III-Medical and Public Health-A.6-Other Expenses" to which head ----- reappropriation will be made if ------ necessary.

26 OCT 1932
Regd. No. 9625
File No. 2

Memorandum No.F.246-A/32.
Dated New Delhi, the 21st October 1932.

Purchase of a new ambulance car for the Isolation Hospital, Bangalore.

Reference your Express Letter No.5672/268-1932, dated the 25th August 1932.

2. In the circumstances stated in the above communication, the Government of India are pleased to accord sanction to the purchase of a new ambulance car for the use of the Isolation Hospital, Bangalore, at a cost not exceeding Rs.3000/- only (Rupees three thousand) on the understanding that the expenditure will be met in the manner explained in paragraph 4 of your Express Letter under reply.

3. The old ambulance car should be sold to the best advantage of Government and the sale proceeds credited to the Bangalore Assigned Tract revenues.

4. The Chief Controller, Indian Stores Department, has agreed to arrange for the purchase of the ambulance car on receipt of an indent from you in the prescribed form (six copies enclosed), along with the other particulars mentioned in his note of which also a copy is enclosed herewith.

Under Secretary to the Government of India.

Copy for information to the Chief Controller, Indian Stores Department, with reference to his u.o.No.N-707, dated the 7th September 1932.

(with 1 Sc)

The Hon'ble the Resident in Mysore may be asked kindly to supply the following particulars when sending the indent to enable this Department to call for quotations from likely firms:-

1. Number of passengers (excluding driver and attendant) for which accommodation is to be provided
   (a) on stretchers.
   (b) sitting.
2. Whether stretchers are to be supplied with the ambulance: If so, a sketch of a suitable type of stretcher may be furnished.
3. If stretchers are not to be supplied with the ambulance, a dimensioned sketch of the stretchers that will be used with it, be furnished to enable stretcher racks being made to suit.
4. As the ambulance is to be used apparently for the conveyance of cases of infectious diseases, any special requirements in this connection should be stated e.g. type of body and materials to be used in the construction of body and internal fittings to allow of proper disinfection.
5. To confirm that the ambulance will be used on fairly good roads and not required to cross rough ground.

SUBJECT:- Purchase of a new Ambulance Car for the Isolation Hospital.

Sir,

S.N.P

1. With reference to your No.7350,dated the the 31st. October 1932, I have the honour to forward herewith indent in triplicate for the Motor Ambulance for the use of the new Isolation Hospital,Bangalore, I also send herewith the other particulars required by the Government of India as prepared by Mr. Hill,Manager of Messrs Ismail Bros.

2. In this connection I wish to point out that Mr.Hill has promised to take the old Ambulance for Rs 400/- on condition that we get the new Ambulance from Messrs Ismail Bros. Bangalore. The local Agent knows our requirements,and it is advantageous to procure the Ambulance from him,as we can then claim his good offices when repairs are inevitable.Further, this Agent has agreed to allow Rs 400/- on the old Ambulance and I doubt if this amount will be got if we are required to auction the ambulance.

3. Might I in conclusion point out that the matter of this supply was urgent in July last,and the procedure of getting this Ambulance through the Chief Controller of Store Department,Delhi,merely adds delay to that already ~~unfixed~~ imposed upon us. I should be glad therefore if the Chief Controller will permit us to make the purchase locally as being non-expeditious and probably equally economical, if not more so.

I have the honour to be
Sir,
Your most obedient servant,

J. McPherson

Bt-Colonel, I.M.S.
Residency Surgeon, Bangalore.

I. S. D. 28.

Any special instructions

Instructions for the preparation of indents.

As different classes of stores are dealt with in different sections in the Indian Stores Department, separate indents should be prepared for stores falling under various classes, *viz.*:—

(1) Power plant and spares, wireless stores, equipment for lighthouses, sewage plant.

(2) Pumping plant, boring plant, steam, gas and oil engines, motors, ice plant and refrigerators, punkha motor sets, excavators, oxy-acetylene plant, condensing and distilling plant.

(3) Engineering plant and machinery, motor vehicles, road rollers, tractors, and workshop equipment (including spares).

(4) Electrical stores (including cables and bare copper conductors of all descriptions).

(5) Structural steel work of all kinds, wire ropes, railway materials, fire extinguishers, target apparatus.

(6) Water supply stores (including hose pipes), refuse, night soil and sanitary carts, metals, rustless brass wire gauze, ball and roller bearings, and wires of all kinds other than electrical.

(7) Steel sections, steel sheet piling, metal sheets of all kinds, steel window frames, doors and fittings, asbestos cement sheets, bearing metals, hair and leather belting.

(8) Miscellaneous engineering and hardware stores (including rubber goods except vacuum brake fittings), glassware, enamelware, oil lamps and lampware, crockery, cutlery, locks, safes, chests cooking ranges, buttons, badges, explosives, tools, clocks, watches, buckets, photographic materials, bicycles, steel furniture, fire bricks, saw blades, etc.

(9) Lubricating oils and greases.

(10) Paints and painters' materials (including linseed oil, turpentine and methylated spirits).

(11) Chemicals, soaps and road dressing materials.

(12) Vacuum brake fittings.

(13) Cement, timber, coal and coke.

(14) Textile, leather and allied stores.

Each separate indent should show items of a like description grouped together.

The adoption of these instructions will expedite disposal of indents and will therefore be of mutual benefit to the indentors as well as the Indian Stores Department.

For the attention of non-government indentors.

It must be clearly understood that the Indian Stores Department act as agents in this matter and that they are in no way responsible as principals either to the seller or the buyer.

*NOTE.—The alternatives not to be used to be scored out.

No 7926 Draft. 29th Nov. 1932

From

The Secretary to the Resident.

To

The Chief Controller,
Indian Stores Department,
New Delhi.

Purchase of a new ambulance car for the Isolation Hospital, Bangalore.

Sir,

I am directed to refer to memorandum No. F.246-A/32, dated the 21st October, 1932, from the Government of India in the Foreign and Political Department and to forward for favour of compliance an indent in duplicate for the supply of a new ambulance car for the use of the Isolation Hospital, Bangalore.

2. The particulars asked for in your note dated the 7th September 1932 are furnished below:-

1. Number of passengers (excluding driver and attendant) for which accommodation is to be provided	(a) on stretchers - One. (b) Sitting. - Five.
2. Whether stretchers are to be supplied with the ambulance: if so, a sketch of a suitable type of stretcher may be furnished.	Yes. A stretcher with surface canvas area of 2 feet by 5 feet 9 inches should be provided. This will be of collapsible type, mounted on iron feet approximately 4 inches deep.
3. If stretchers are not to be supplied with the ambulance, a dimensioned sketch of the stretchers that will be used with it, be furnished to enable stretcher racks being made to suit.	Nil.
4. As the ambulance is to be used apparently for the conveyance of cases of infectious diseases, any special requirements in this connection should be stated e.g. type of body and materials to be used in the construction of body and internal fittings to allow of proper disinfection.	The body should be built of good quality timber and in view of its being used for infectious cases; the floor & the lower half of the sides should be tin lined to facilitate disinfecting.

GOVERNMENT OF INDIA.

INDIAN STORES DEPARTMENT.

OFFICE OF THE CHIEF CONTROLLER OF STORES.

No. N-707.

Dated ~~Simla~~ New-Delhi, the 2 December 1932. ~~1932~~

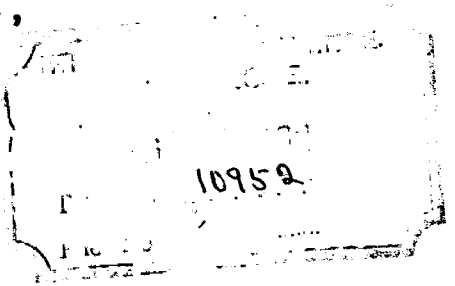
From

The Chief Controller of Stores,
Indian Stores Department,
(Engineering Branch,,

To

The Secretary to the Hon'ble the Resident in Mysore,

BANGALORE.



Sir,

S. N. 9/A With reference to your indent ~~letter~~ No. 1740/97, dated 11.11.32, the attached Specification No. P.I.116 /Schedule of Requirements No. 1277 has been issued to tendering firms. You are requested to go through it at the earliest possible moment and return the portion below to this office. Failure to do this may result in faulty supply.

The tenders are due in this office on 15. 12. 1932.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Controller,
for Chief Controller of Stores.

Specification No. P.I.116.

GOVERNMENT OF INDIA
INDIAN STORES DEPARTMENT.

Schedule of Requirements No. 1277
for
Motor ambulance
for
The Isolation Hospital, Bangalore.

1. GENERAL. - The work required under this Schedule of Requirements is to be carried out in accordance with the General Conditions of Contract issued with the enquiry and I.S.D.General Specification No. P.I. 116 annexed.

2. REQUIREMENTS. - Tenderers are required to quote for the supply and free delivery at Bangalore of one motor ambulance in accordance with the following specification.

3. SPECIFICATION. - The ambulance is to provide accommodation for the following passengers (excluding the driver and attendant) s-

(a) One on a stretcher
(b) Five sitting.

The equipment of the ambulance is to include a collapsible stretcher of a standard approved Army or Red Cross type. The stretcher to have a surface canvas area of 2 feet by 5 feet 9 inches, and to be fitted with iron feet about 4 inches deep. The body is to be built of good quality well seasoned timber and as the ambulance is to be used for the carrying of infectious cases the materials and design of the body are to be such as will permit of it being readily and efficiently disinfected. For this purpose the floor and the lower half of the sides should be lined with tin sheet or other suitable material. All materials used in the construction to be the best of their kind and suitable for the services required. All bolts used in the construction of the body to be of the 'through' type, coach screws will not be permitted. Spring washers to be fitted to all bolts used for securing metal faces. Washers for single bolts and strips of steel of suitable size and thickness for groups of bolts shall be used under all bolt heads to prevent their being drawn in the woodwork. Curtains or doors are to be fitted so as to enable the ambulance to be completely closed. The curtains and/or doors are to be so designed that they can be opened from either the inside or the outside.

A full kit of tools, necessary spares, registration plates and all usual and necessary equipment to be supplied.

4. PAINTING. - The timber surfaces are to be properly stopped and prepared to receive three coats of lead priming properly flatted off. This applies to both covered and uncovered woodwork. The finish shall consist of three coats of paint of an approved colour.

5. TENDERS. - Tenderers must submit with their tender full particulars of the supply offered including drawings and diagrams showing all essential descriptions and dimensions. Appendix 'A' to this Schedule of Requirements must be completed by tenderers and returned with their tender.

6. DELIVERY. - Delivery is very urgently required, tenderers to state the earliest delivery they guarantee in number of weeks from the date of placing of the order.

APPENDIX 'A'.

Schedule of Particulars.
(To be filled in by tenderers).

These particulars will be binding upon the contractor and must not be departed from without the written permission of the Chief Controller of Stores, Indian Stores Department.

Description.	
CHASSIS.	
Make	
Type	
Number of cylinders	
Nominal and maximum H.P. ...	
Overall length and width of chassis.	
Type of wheels and material of construction	
Size of tyres	
Weight of chassis	
BODY.	
Approximate weight	
Passenger accommodation excluding driver and attendent -	
(a) On stretcher ...	
(b) Sitting	
Materials -	
Timber	
Fabric	
Lining of floor and lower half of sides	
Total approximate weight of the ambulance in full running order	
List of fittings, accessories and spares	

Approved June 1932.

GOVERNMENT OF INDIA.

INDIAN STORES DEPARTMENT.

GENERAL SPECIFICATION No. P. I. 116

for

THE SUPPLY OF PLANT AND MACHINERY.

1. *General Conditions.*—The work required under this specification shall be carried out in accordance with the annexed General Conditions of Contract and such other specifications as may be issued, with the enquiry or order, by the Chief Controller of Stores, Indian Stores Department.

2. *Location of Site.*—As specified in the accompanying Schedule of Requirements.

3. *Atmospheric Conditions.*—As specified in the accompanying Schedule of Requirements.

4. *Extent of Work.*—The work required under this specification consists of the construction, supply and delivery, F.O.R. place named.

Each tender must cover the whole of the plant and apparatus together with all fittings and accessories including holding down bolts, nuts, jointing material, etc., as may be required to put the plant into proper working order. Should any article or material not specifically described in this specification be necessary for the efficient working of the plant, the same is to be included in the work covered by this specification.

5. *Duty of Plant.*—The plant is to be suitable, in every respect, for the duty stated in the Schedule of Requirements.

6. *Tenderers.*—Tenderers shall furnish full particulars of the plan, apparatus and instruments offered ; completing as fully as possible the Appendices, if any, to the Schedule of Requirements and to the annexed Specifications.

7. *Drawings.*—Unless otherwise specified in the Schedule of Requirements, tenderers are to put forward drawings showing the proposed layout of the station and the plant offered and the conditions, if any, laid down in the Schedule of Requirements. The layout should provide room for such additional sets as may be specified in the Schedule of Requirements to be installed later.

The drawings called for in Appendix ' A ' are to be submitted at the times given below. The drawings which must be in suitable scales, are to be marked and lettered as may be specified by the Chief Controller of Stores, Indian Stores Department.

(*a*) *Tender Drawings.*—The tender drawings to accompany the tender.

(*b*) *Foundation and Outline Drawings.*—The working drawings for all foundations required for the plant, and outline drawings, fully dimensioned, showing clearly all the arrangements necessary to be made for holding down bolts, pipes, trenches, cabled trenches, drains, etc., together with such specifications for foundations, etc., as may be required, are to be submitted by the contractor within one month from the date of acceptance in writing of the tender.

(*c*) *Contract Drawings.*—Fully dimensioned contract drawings are to be submitted within two months from the date of acceptance in writing of the tender.

(*d*) *Completion Drawings.*—The completion drawings when erection is to be carried out by the contractor are to be submitted within three months from the date of completion of tests at site. Tenderers are to quote a separate price for the completion tracings.

8. *Quality of Material.*—All material used in the construction of the work forming part of the contract is to be of the best quality of its kind obtainable and except where modified by this specification is to comply in all respects with the standards laid down by the British Engineering Standards Association. It must also fulfil such further requirements as stated in this specification. The whole of the work is to be of the highest class, well finished and of approved design and make.

9. *Compliance with the Law.*—All electrical work forming part of the contract is to be carried out in accordance with the requirements imposed by the

APPENDIX 'B'.

Test after erection at site if the Contract covers the Supply of Electrical Generating Plant.

Note.—Artificial load, fuel and lubricating oil for not more than two official tests will be supplied by the Buyer.

Item No.	Description of tests.	Remarks.
1	The engine generator sets will be run at continuous full load of the generator for 6 hours to ascertain the temperature rise of the generator windings, etc., in accordance with clause 13 of this Schedule of Requirements, and the temperature of the engine and generator bearings. This will be immediately followed by 1 hour 10 per cent. overload of the *engine rated output*, due allowances being made for the atmospheric conditions at site at the time of the test.	
2	Speed regulation, voltage regulation, and parallel running tests.	
3	Fuel and lubricating oil consumption will be taken during these tests and any further tests found necessary at site.	
4	As the engine is guaranteed for a continuous night and day running duty, the Inspecting Officer may, if he considers necessary, call for about 150 or 12 hours (as may be specified in the enquiry or contract) continuous run of the set at the full load of the generator to satisfy himself that the engine complies with the requirements of this specification.	
5	Insulation tests.	

L47ISD—1,000—30-8-32-GIPS

of the plant having been tested in the manufacturer's works by the buyer's Inspector will not exempt the supplier from the provisions of this clause. The same conditions apply in the case of defects arising due to erection by a contractor of any plant whether manufactured and supplied by him or by his sub-contractors.

20. *Delivery.*—Tenderers are required to quote for the plant delivered at the railway station specified. *The guaranteed time of delivery is to operate from the date of acceptance of tender in writing by the Chief Controller of Stores, Indian Stores Department.*

21. *Descriptive and Priced Catalogues, etc.*—Instructions in duplicate for the working of all the plant are to be provided by the contractor. Detailed descriptive catalogues of the plant are to be supplied together with a list, in duplicate, with the price of each of the spare parts actually supplied under this contract. Tenderers are to submit with tender a price list of spare parts recommended by the makers as suitable for two years' normal working of the plant offered. This list of spare parts should be as complete as possible and should make ample provision for all reasonable contingencies.

22. *Responsibility and Completeness.*—The contractor is to be entirely responsible for the execution of the contract in all respects in accordance with the terms of this specification, and the General Conditions of Contract notwithstanding any approval which the Inspector may have given of the detail drawings prepared by the contractor or his sub-contractor or of materials or other parts of the work involved in the contract or of tests carried out either by the contractor or by the Inspector. Any fittings, accessories or apparatus which may not have been mentioned in this specification but which are usual or necessary in the equipment of similar plant are to be provided by the contractor without extra charge. All apparatus must be complete in all details whether mentioned in this specification or not.

23. *Schedule.*—The schedule shall be filled in as fully as possible by tenderers. In addition tenderers must also submit separately a detailed analysis of the prices quoted by them in the schedule.

APPENDIX 'A'.

List of Drawings to be supplied.

Item No.	Description.	Class of Drawing.	Nos. required.	To be supplied to.
	Tender Drawings.			
1	Outline plan and elevation of the proposed layout of the plant, giving overall and main dimensions.	Blue print	1	With tender.
	Contract Drawings (when applicable).			
1	Dimensioned plan and elevation of the complete layout.	Blue print	3	To be supplied as directed.
2	Completely dimensioned foundation drawings	,,	3	
3	Detail drawings, including governor, fuel pumps, etc., of the engines.	,,	3	
4	Pipework layout of the fuel supply, compressed air system, cooling water system.	,,	3	
5	Schematic wiring diagram of the switchboard and connection to generators static balancers, etc.	,,	3	
6	Drawing of completed switchboard showing position of all instruments, thickness of panels, position of bus bars, etc.	,,	3	
7	Printed copies of working instructions ..	..	3	

Indian Electricity Act, 1910, as modified up to date and the Indian Electricity Rules, 1922, as amended up to date.

10. *Tests and Inspection.*—The buyer reserves the right of carrying out any inspection or test at the maker's works during construction of the plant, in addition to the inspection and tests which are to be carried out after erection at site.

Normally, combined tests for electrical generating plant, except after erection at site, will not be required to be carried out at maker's works. The prime mover and generators specified will be tested separately at the maker's works. The motors, switchgear and other equipment will normally be inspected and tested at site. If the contract covers the supply of electrical generating plant with oil engines as prime movers, tests will be carried out as detailed in Appendix ' B '.

The successful tenderer will also submit in duplicate duly certified copies of test sheets of all standard tests carried out at maker's works during manufacture and before despatch of the plant.

11. (*i*) *Tools.*—The contractor is to provide the full outfit of tools, and spanners and special tools necessary for dismantling and assembling the plant together with a suitable steel rack for holding them. The spanners should be single-ended to fit each size of nut and bolt on the plant. None of the above tools and spanners is to be used by the contractor for erection or other purposes, but the whole is to be handed over to the buyer complete and intact.

(*ii*) *Spares.*—The contractor is to give full particulars and price of each part he recommends to be held as spares for two years' normal working of the plant. Full particulars of tools and spares supplied with the plant, and price of each item, are to be given in the tender.

12. *Nuts, Threads and Foundation Bolts.*—All bolts, nuts, studs and set screws are to be of good quality mild steel, well finished off with rounded ends. The threads must fit without shake. The necessary foundation bolts are to be provided together with plates or hooks, anchors, washers, etc. The bolts are to be of ample length and to be complete in every respect.

13. *Name Plates.*—All machines are to have metal plates fixed in an approved position, with full particulars of the name of maker, rated output, speed and other characteristics clearly marked thereon.

14. *Details of Plant and Guarantees.*—The tenderer is to give full details and figures of guarantees of the plant offered.

15. *Deviation from the Specification.*—Should a tenderer desire to depart in any respect from the provisions of this specification, either on account of manufacturing practice or for any other reason, he must specifically bring the matter to notice in his tender in the form of a covering letter explaining in detail each and every departure he proposes to make from the specification. Manufacturer's standard specifications for the plant or component parts of the plant may be submitted, but all discrepancies must be clearly drawn attention to, both in the covering letter referred to above and in the schedule and appendices which have to be filled in by the tenderer. The intention is to adopt manufacturer's standard equipment as far as possible but these standards must in all respects, comply with the conditions of this specification as regards safety from breakdown, output, capacity, performance, etc., and must pass the tests specified.

16. *Marking of Parts.*—In order to facilitate erection, the several parts of the plant are to be suitably marked.

17. *Painting.*—The whole of the plant except bright parts, is to receive one coat of painting in plain colour before packing, and the bright parts, are to be protected from rust. After erection, every painted part of the plant is to be well filled and stopped and then to receive either two coats of best oil paint in approved colour finally finished off with a coat of varnish, or two coats of approved gloss enamel.

18. *Packing.*—All materials are to be packed in suitable strong cases or crates. In the case of large articles such as bed plates, etc., which are not packed in cases, all screwed holes are to be plugged with wood and machined surfaces suitably protected.

19. *Maintenance.—Guarantee against defects.*—The contractor will be required to guarantee the plant for a period of one year from the date of the same being taken into beneficial use or from date of the completion of tests at site, whichever is earlier, against any defects that may develop under normal and proper use arising from bad material, design and workmanship. The fact

Sir,

S.N.10

With reference to the above quoted indent received with your letter No.7926/268-1932, dated the 23rd November 1932, I have the honour to say that tenders were invited from the likely firms and four tenders received from the following firms are forwarded herewith together with an abstract of tender for your perusal:-

1. Messrs.Ismail Brothers(Mysore)Ltd.,Bangalore.
2. " Ford Motor Co.of India Ltd., Bombay.
3. " General Motors India Ltd., Bombay.
4. " Morris Industries(India)Ltd.,Bombay.

2. It is pointed out that Messrs.Ismail Brothers have not stated what model or size of Ford chassis they have offered. On the other hand Messrs.Ford Motor Co.of India Ltd,Bombay, have offered a Ford Model AA Standard Truck Chassis with 6,00 x 20 Balloon ~~tyres~~ tyres all round. The ambulance offered by Messrs.Ismail Brothers appears to be much smaller and lighter than that offered by Messrs.Ford Motor Co.and the other tenderers.

3. A copy of this Department's Rate Contract No.N/332, dated the 30th September 1932 for the supply of Ford Vehicles and spare parts is forwarded. The prices of Ford 'A' and 'AA' Commercial Models will be found at Appendi

on page 5. All the prices are subject to a discount of 20 per cent to this Department.

4. Please state whether you will accept Messrs. Ismail Brother's tender in preference to the other tenders.

5. The tenders and the abstract may please be returned complete with your reply.

I have the honour to be,

Sir,

Your most obedient servant,

J. Spence

Deputy Director,
for Chief Controller of Stores.

Encl:- 4 Tenders, and one Abstract and Contract No. [illegible].

MORRIS INDUSTRIES (INDIA) LTD.

12th December 1932.

The Chief Controller of Stores,
Indian Stores Department,
New Delhi.

Dear Sir,

We beg to enclose herewith Tender Form No. N-707 for the supply of one "RE" 30-cwt Morris Commercial Chassis complete with Motor Ambulance Body as called for in your Specification No. P.I.116 We also enclose herewith a Dimension Drawing showing principal details of the body and also a sketch of the complete vehicle.

Our quotation is made up as under:-

Price of Chassis complete to standard specification (in accordance with the Terms of the I.S.D.Contract applicable to Government Departments other than the Army).	Rs.3298	0	0
One Scuttle.	15	0	0
Two Rear Mudguards.	18	0	0
One 32 x 6 Heavy Duty Tyre & Tube. (for spare wheel).	147	9	0
Body complete to Specification No.P.I.116.	1350	0	0
Freight per passenger train (closed truck) Bombay to Bangalore.	251	0	0
	Rs. 5079	9	0

We regret we can only give a firm figure based on the existing duties, since we have not authoritative information as to how the proposed preference duty under the Ottawa Agreement will be applied. We beg to assure you, however, that should this Agreement come into force before acceptance of this Tender, we shall be glad to revise our prices giving you full benefit of any rebate to which this type of vehicle may be entitled.

We trust our Tender will meet with your approval, and that we may be successful in obtaining this order.

Yours faithfully,
MORRIS INDUSTRIES (INDIA) LTD.

Bangalore.

Dear Sir,

Follwoing our personal conversation, we enclose, herewith, detail specification and drawing of a Morris RE chassis, fitted with ambulance body complete.

We have quoted you a special price of Rs.4750/- for this complete vehicle, less the allowance for your present Ford ambulance of Rs.400/-, would make a nett total of Rs.4350/- for the complete vehicle delivered Bangalore.

We can assure you that the body and fittings would be of the highest quality, and the ambulance would service you for very many years without expense or repairs.

As Morris Agents for this territory, we should ofcourse extend to you the usual guarantee and free service on the vehicle, and this would be a further safe guard to you that the vehicle would be properly looked after, and would give you very reliable service.

We sincerely trust that you will give this estimate your favourable consideration. We enclose, herewith, two photographs of a similar vehicle which we built and supplied to the Madras General Hospital. This was of a batch of 4 similar ambulances all supplied by us, and you will see that the one illustrated is fitted with two stretchers, the top one mounted on a folding frame. This second stretcher and fittings can be supplied complete for Rs.120/- extra.

We can give delivery of the vehicle within 3 weeks from date of order. We trust we shall be favoured with your definite order in due course.

Customers' cars are only driven at customers' risk and responsibility.
Cars, Trucks, Buses or Motorcycles sent to us for any purpose are only received at owners' risk and we accept no responsibility for loss or damage to same arising from fire or any other cause.

To

The Chief Controller of Stores,
Indian Stores Department,
New Delhi.

Subject:- Purchase of a Motor Ambulance for the use of the Isolation Hospital.

Sir,

With reference to your letter No. N/707, dated the 20th December, 1932, I am directed to state that on perusal of abstract of statements regarding the ambulance, the Hon'ble the Resident has taken expert opinion and he thinks that the ambulance offered by Messrs Morris Industries (India) Ltd., Bombay is very suitable. I am therefore to request that, if you see no objection, necessary arrangements may kindly be made for the supply of the ambulance in question to the Residency Surgeon, Bangalore, before the close of the current financial year.

2.

S. 5.

MGIPC—FP—460DCFMis.—(289)—2-2-25—30,000 Pads.

2. The cost of the ambulance is ------- Rs. 5079-9-0 less 20% i.e. Rs. 4063-11-0. Under the Indian Tariff (Ottawa Trade ----- Agreement) Amendment Act, 1932, Messrs Morris Industries (India) Ltd., promise to make a further reduction in the prices quoted by them. I am to request that their final offer may kindly be intimated to this Residency by telegram to enable the ------ Resident to obtain the sanction of the ---- Government of India to the additional ---- expenditure involved by the proposal.

3. A copy of a letter No. BB., dated the 17th January, 1933, with enclosures, received from Messrs Addison & Co., Ltd., Bangalore, local representative of Morris Motors, is forwarded.

4. The tenders and the abstract ----- received with your letter are returned.

I have etc.,

Secretary to the Resident.

FROM

THE CHIEF CONTROLLER OF STORES,
INDIAN STORES DEPARTMENT,

To

The Secretary to
The Hon'ble The Resident in Mysore,
Bangalore.

Subject:- Indent No.1740/97, dated the 11th November 1932 for a motor ambulance for the Isolation Hospital, Bangalore.

Sir,

S.N.18
Reminder (I)

With reference to your letter No.639/268-1932, date the 24th January 1933, I have the honour to say that I have telegraphed to Messrs.Morris Industries(India)Ltd, Bombay, to state (1) the reduction in price on account of the reduction in the customs duty, under the Indian Tariff(Ottawa Trade Agreement) Amendment Act,1932, and (2) the guaranteed date of delivery to ensure that full payment is made in the current financial year. A furthe telegraphic communication will be sent on receipt of th firm's reply.

2. I have to point out that the statement made in para 2 of your letter that the firm's price of Rs.5079- is subject to a discount of 20 per cent is not correct. In their tender the firm have quoted a net price of Rs.3298/- for the chassis. This figure of Rs.3298/- has been arrived at after deducting 15 per cent discount which Messrs.Morris Industries India Ltd,Bombay,allow t this Department for purchases made for departments other than the Army, on their main port retail selling price of Rs.3880/- for the chassis offered. To the amount of Rs.3298/-, the firm have added the following :-

(a)	One Scuttle	...	Rs. 15-0-0
(b)	Two rear mudguards	...	Rs. 18-0-0
(c)	One 32 x 6 Heavy duty tyre and tube(for spare wheel).	...	Rs.147-9-0
(d)	B o d y	...	Rs.1350-0-0
(e)	Freight per passenger train from Bombay to Bangalore.	...	Rs. 251-0-0

The net price for the ambulance offered by the firm in their tender is Rs.5079-9-0 subject to no discount. There will however be a reduction in price on account of the reduced customs duty.

3. With reference to the copy of Messrs.Addison and Co.Ltd., Bangalore's letter No.BB, dated the 17th January, 1933, this Department is not taking any action as this firm did not tender to this Department.

I have the honour to be,

Sir,

Your most obedient servant,

J. Young

Deputy Director,
for Chief Controller of Stores.

Acceptance of Tender.

Gentlemen, In confirmation of this office telegram No. M-707, dated 23rd Feby. 1933.

I beg to inform you that your tender No. ~~WAW~~/PK, dated 12-12-32, for the stores specified in the Schedule on the reverse hereof has been this day accepted on the conditions under which you tendered to the extent of the quantity and on the terms as to delivery specified therein, subject to such modifications and amendments as have been mutually agreed upon, *vide* correspondence resting with your letter No. Accts., dated 1st Feby.1933 and letter No. ~~WAW~~/BKS, dated 27th Feby. 1933.

The Inspecting Officer should be informed when and where the goods will be ready for inspection.

Your particular attention is invited to the conditions of contract under which you tendered in regard to packing and notification of delivery and despatch. It is essential that packing notes and priced invoices shall be furnished to the consignee in respect of each and every consignment. The Railway receipt should be forwarded to the consignee immediately after despatch of stores, otherwise the demurrage charges, if any, paid by the consignee will be deducted from your bills.

In the case of orders placed f. o. r. station of despatch, the stores should not be booked freight paid except when the supplier is specifically asked to do so either by the purchasing officer or indenting officer or consignee or in cases in which the carrying administration will not accept goods to pay. In cases in which prepayment of freight is essential, Railway cash receipt should be pasted on the original stamped copy of the bill.

Your bills for the stores to be supplied in compliance with this order must be prepared in the special bill form obtainable from this office and submitted in strict accordance with the instructions printed thereon quoting the number and date of this order, the acknowledgment of which should reach this office not later than 20th March 1933.

Please quote on all letters and invoices the order number given above and Indent No. 1740/97, , dated 11-11-1932, received under letter No. 7926/268 dated 23-11-1932 from the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

Yours faithfully,

Sd/- J. Young.
Deputy Director of Purchase.

GOVERNMENT OF INDIA
INDIAN STORES DEPARTMENT
OFFICE OF THE CHIEF CONTROLLER OF STORES.

No. N-707.
Dated New Delhi, the 15 March 1933.

From

The Chief Controller of Stores,
Indian Stores Department,
(Engineering Branch),

To

Messrs. Morris Industries (India) Ltd.,
Worli, Post Office Box 946,
BOMBAY.

SUBJECT:- I.S.D. Order No. N-707 for one 30 cwt. "RE" Morris Commercial chassis complete with ambulance body.

Dear Sirs,

In continuation of my express letter No. N-707, dated the 7th March 1933, I forward herewith a confirmatory order for the above motor ambulance.

2. Delivery.- The motor ambulance must be put on rails Bombay by the 26th March 1933 at the latest.

3. Conditions of Contract.- The Conditions of Contract which will govern this order are hereby changed to those contained in Form No. I.S.D.12-A, two copies of which are forwarded Herewith. Please retain one copy with you and return the other duly signed to this office.

4. Submission of Bills.- Under clause 18 of the revised conditions of contract, please submit your 90 % bill for the motor ambulance as soon as it is despatched from Bombay after inspection, to the Assistant Controller of Inspection, Indian Stores Department, Bombay, for completion of certificate No. 1 and transmission to the Audit Officer, Indian Stores Department, New Delhi, for payment. It is essential that this 90% bill is submitted by the 26th March 1933 at the latest, so that the Audit Officer, Indian Stores Department, New Delhi, may be able to make payment against it in the current financial year.

The 10% bill should be submitted to the Residency Surgeon, Civil and Military Station, Bangalore, for completion of certificate No. 2 on the reverse of the bill and trans-

mission....

transmission to the Audit Officer, Indian Stores Department, New Delhi, for payment.

5. The question whether the motor ambulance should be despatched by goods train or by passenger train, has been referred to the indenting officer and you should arrange despatch in accordance with the instructions which you receive from him. In case no instructions are received by you in time, the motor ambulance should be despatched by passenger train by the due date. But, if you are asked to despatch by goods train, the amount of the freight charges incurred by you should be shown in your bill instead of the amount shown in the order. The bill should be supported by the railway cash receipt in original.

Please acknowledge receipt.

D.A.- 1. Order.
2. Conditions of Contract.
3. Bills and docket forms.

Copy together with a copy of the order, forwarded to:-

1. The Secretary to the Hon'ble the Resident in Mysore, Bangalore, in continuation of this Department's telegram No. N-707, dated the 7th March 1933. The colour of Body and rexine upholstery required may please be telegraphed, if not already done.

It will be seen that the order includes Rs. 201 on account of freight by passenger train from Bombay to Banglore. The freight by goods train will be considerably less. Please, therefore, inform the firm direct urgently, with copy to this office, whether they should despatch the motor ambulance by goods train or by passenger train.

2. The Residency Surgeon, Civil and Military Station, Bangalore On receipt of the 10% bill from the firm, please forward it to the Audit Officer, Indian Stores Department,

New Delhi..
